# REAL WEDDINGS

## Ashley & Evan

### *Where did it all begin?*

Ashley & Evan met in high school, starting off as best friends for a number of years before finally getting together at their prom. They have been together since they were 16, celebrating their 10 year anniversary in March!

### *Who popped the big question?*

Evan proposed to Ashley four years ago when they were celebrating finishing university with their first holiday abroad together.

“

We wish we could relive the day all over again

”

### *What was important to you when choosing your venue?*

We'd always dreamt of having an intimate family day, so having everything in one space was really important to us. We wanted our family to be relaxed and for the venue to be suitable for a large number of children.

***What made you fall in love with  
The Boat House?***

The beautifully bright space and fantastic staff who made us feel like nothing was too much trouble.

We also knew the food would be impeccable, which was proven when we had so many compliments from our guests on the day!

## *What was your wedding theme?*

We chose a simple and elegant theme, featuring mainly white with fresh foliage and a splash of pink to tie in our bridesmaids dresses.

## *What was the highlight of your big day?*

Everything went perfectly and was so smoothly organised that we can't pick one thing. We are so grateful for the patience and help we had from all of the staff. We had such a wonderful day!

## *What would be your top tip to any future couples getting married at The Boat House?*

Don't be shy to ask any questions - Beckie and her team were fantastic and so helpful. They really reassured us in the run up to our big day and on the day itself!

## *Food is serious business at Aston Marina - which one dish was a must for your wedding menu?*

The beef for our main was simply beautiful but we also had many comments about the fish that we chose for one of our main dishes.

## *What was the biggest challenge you faced when planning your big day?*

Everything was such a breeze and Beckie helped so much along the way with planning and pointing us in the right direction of suppliers, along with anything else we needed!

*Did you use any suppliers that you would recommend?*

**Vintage Venue Dressing** - fantastic, gave us some great ideas and were very helpful!

**Bib & Tucker Photography** - amazing and gave the chilled vibe we were looking for. Our guests felt really relaxed and they captured some beautiful photos.

**Enchanted Florists** - absolutely smashed it out of the park with our beautiful bouquets & cake decorations. Delivered safely to us and in plenty of time.

**Nick Wiley Pianist** - played throughout our day and topped everything off with some beautiful music.

We wish we could relive  
the day all over again,  
such a stunning setting.

Fantastic service, help  
and beautiful  
surroundings!
