*Who popped the big question?
Tell us your proposal story!*

Bryan popped the question on a romantic weekend away in Rome whilst they were at the Trevi fountain.

*What was
important to you
when choosing
your venue?*

We didn't really know what we were looking for but we wanted a beautiful setting where we could have a ceremony and party without too many separate rooms so guests wouldn't be too spread out. The Boat House ticked all those boxes for us. It was the first venue we viewed and everywhere else we viewed didn't compare.

Where did it all begin?

We met on Tinder in 2018 and had our first date at the Ryles Arms in Cheshire.

What was your favourite feature about The Boat House and why did it make you fall in love with our venue?

The bi-fold doors let so much light in that even on cloudy days the room was filled with light.

What was your wedding theme?

We went for a slightly rustic theme with lots of green foliage in the bouquets and table décor.

& Bryan Brooke

What was the highlight of your big day?
The outdoor ceremony - we were lucky with the weather and were able to have the ceremony outside in the sunshine.

What would be your top tip to any future couples getting married at The Boat House?

Try and take in every moment because the day really does fly by. Also we'd recommend getting a videographer so you can relive the moments whenever you want to.

What did you find to be your biggest challenge?

Agreeing on the guest list. Beckie made the rest of the planning feel like a breeze.

Food is serious business at Aston Marina - which dish was a must for you?

The chicken main was delicious and suited everyone!
