REAL WEDDINGS

Callum & Luci

*Who popped the big question?
Tell us your proposal story!*

Callum got down on one knee in Central Park, New York. It was dark and the stunning New York skyline was behind us.

Where did it all begin?

We first met on Tinder
- a couple of weeks
later we went ice
skating and the rest
was history!

“

People still tell
us what a great
day it was

”

What was important to you when choosing your venue?

We wanted our venue to be open and
airy, with great photo opportunities
and most of all to feel comfortable
and welcomed by staff. From day one
Aston Marina gave us that feel!

What was your favourite feature about The Boat House and why did it make you fall in love with our venue?

The first thing that struck us having never visited before was the driveway leading down to the venue - it felt so special. We also loved how open the venue was and the brilliant views from every angle.

What was your wedding theme?

We didn't have a particular theme - we had floral arches, LED signs and chair sashes. The team at Aston Marina worked behind the scenes to ensure everything was where we wanted it and moved things as requested from the day to the night set up.

What was the highlight of your big day?

We can't choose just one moment - we enjoyed being in our wedding bubble and spending time with the people we love most. The whole day goes by so fast!

What would be your top tip to any future couples getting married at The Boat House?

Don't stress, just enjoy it and if you're considering getting married outside...do it!

Were there any suppliers you would recommend?

Helen Pearson MUA - highly recommend Helen for your make up. She is the loveliest person with the best skills.

Food is serious business at Aston Marina - which dish was a must for you?

The beef was amazing - melted in the mouth! Luci rarely chooses anything over chicken but for the big day she chose beef and it was incredible.

REAL WEDDINGS

What did you find to be your biggest challenge?

We found the planning process really easy and actually enjoyed it. Beckie was always on hand to answer any questions we had and made everything run smoothly.

Our last minute wobble was the day before when the Queen sadly passed away and we were worried that the wedding would be cancelled due to a day of mourning, however Beckie was straight on the phone reassuring us which eased our nerves.

We would like to thank the whole team at Aston Marina for such a great day, especially Beckie who was fabulous from start to finish.

5 months after our wedding people are still telling us what a great day it was.

We couldn't have asked for a better day!
