

## MOORING INFORMATION & TARIFF 2024

- Mooring fees include VAT (20%), water, car parking for 1 vehicle, 2 security fobs, Elsan disposal, toilets and showers.
- Moorings are charged on berth size not boat length.
- Electricity is available at every long term berth, but is not included in the mooring fees.
- Electricity is operated by a pre-payment card system, which can be purchased at the marina office.
- Laundry, fuel, pump-out, launch & recovery and servicing facilities are offered at additional rates.
- Payment is required strictly in advance of mooring.
- 3 months mooring fee for reservation (non-refundable).
- Mooring periods begin from the date of arrival.
